

SPONSOR a STUD!

Become a **PERMANENT** Part of a Habitat Home!

Dear Friends of Siouxland Habitat for Humanity,

It takes more than 300 studs to build one safe, simple, affordable home for a local, hard-working, deserving family. Studs form the core of every home. We are asking you to invest in a future build. You are invited to sponsor and decorate a stud or more than one stud! We will use the decorated studs to frame the Hull Habitat home. Will you help us frame this home and show God's amazing love to a family in need?

Anne Holmes, Executive Director

It's simple! Your business/organization sponsors one or more wood (2" x 4" x 8') stud. We will deliver them to your business/group and we will pick them back up once it is decorated. The decorated studs will be framed into the Hull Habitat home! These studs will "support" the Habitat family as they start their exciting new chapter.

Channel Your Creativity!

Adorn your 2 x 4 with artwork, poetry, Scripture verses, pictures, or words of community, encouragement, or motivation to the family who will call this Habitat house - their home. #BeABlessing

Cost to Sponsor A Stud: **\$100** each 2 x 4 x 8

Stud(s) Delivered to Sponsor by: **TBD**

Complete Stud Picked Up by: **TBD**

Address of Hull Habitat Home: **TBD**

Become a Permanent Part of a Habitat Home

Every stud sponsor will be invited to our "Stud Finder" event. Sponsors may invite their artistic participants.

The Stud Finder Open House will be held at the build site (date TBD). Wander through the framed home to discover your stud location. You will meet the home's future family, Habitat staff, and volunteers. It is truly a heartwarming experience!

To sponsor one or more studs and receive more details or for more information contact:
