## **Siouxland Habitat for Humanity's Sioux County Office Taking Applications for Partner Families**

Siouxland Habitat for Humanity is continuing their efforts to change lives by building safe, decent, affordable homes in Siouxland. They are now accepting applications for a future home build in Hull, IA.

Families who can demonstrate a need for safe, decent, and affordable housing and the inability to get it without Habitat are encouraged to learn the prerequisites to potentially qualify for this Habitat home in Hull.

Applications are available Habitat's website <http://siouxlandhabitat.org/our-programs/home-ownership/>, at the Hull City Office, and at the Hull Library.

Completed applications can be scanned and emailed to [info@siouxlandhabitat.org](mailto:info@siouxlandhabitat.org) or delivered to the Siouxland Habitat for Humanity Sioux County office in Rock Valley located at 1334 Valley Dr.

"We believe that everyone deserves a safe, decent, and affordable home. Unfortunately for too many, the inability to get a traditional home loan stands in the way of that dream. Habitat reduces or eliminates many of the barriers to homeownership so more families can thrive in a place they can call their own," said Anne Holmes, Habitat for Humanity's Executive Director. "We firmly believe that though shelter, families are empowered to take care of themselves and their families, build their own futures, and feel the stability that owning a home provides," stated Holmes.

*Siouxland Habitat for Humanity, founded in 1992, is an affiliate of Habitat for Humanity International – a Christian housing ministry. Families and individuals in need of a hand-up partner with Habitat for Humanity to build a place they can call home. Habitat homeowners help build their own homes and pay an affordable mortgage. Through shelter, we empower.*
